Rate analysis

One sheet per BOQ item. The percentages for water charges, and for overheads and profit, are typed: set them to your contract or schedule.

BOQ item		**Unit of the rate**	
Description		**Date of rates**	

Item	Unit	Quantity	Rate (Rs)	Amount (Rs)

Line	%	Amount (Rs)
Cost of materials, labour and tools and plant		
Water charges		
Overheads and profit		
Rate per unit
